AFFIDAVIT OF ELIGIBILITY

I understand that to be considered for the Grandwood Park Civic Association scholarship award that I must have established at least one year of residency in the area known as Grandwood Park, including The Shires, in unincorporated Warren Township, IL and that my family is a current member of the Grandwood Park Civic Association. I further understand that on June 14, 2019, I must be a high school student or be accepted by a state accredited college, university, or technical/trade school and that I am/will be a full-time student maintaining a minimum of 12 credit hours. I must also have maintained a passing cumulative grade point average. I am submitting, along with this application, a copy of my high school or college transcripts, which will attest that I have the required grade point average.

I also understand that I will be required to submit to a personal interview with members of the Scholarship Committee at a mutually convenient time prior to the selection of award recipients.

I understand that if I am selected as a scholarship recipient, the scholarship check may be made payable to both the recipient and the school of attendance to ensure that the awarded funds are used solely for the purpose of their intent.

I accept the policy of the Scholarship Committee and understand that the scholarship will be awarded based solely on the application, essay and interview, not based on the applicant's financial need. No questions will be asked regarding the applicant's race, religious affiliation, or anything else that may be discriminatory or construed as such. The scholarships will only be awarded to individuals that meet the minimum scoring requirements. Should there be more awards than qualified applicants, all available awards will not be issued.

I have not been asked to declare my sex, race, or religious preference, nor have I been required to pay any monetary scholarship application fee. Any investigation regarding the authenticity of this application will not involve disclosure of information related to sex, race, or religious preference.

I further accept the decision of the Scholarship Committee as final and that I cannot hold any member of the Committee or the Grandwood Park Civic Association liable should my application not be accepted or if I am not awarded a scholarship.
