SEPTEMBER 2018

Little Learners  
Preschool

### Monthly Focus:

Shapes: Circle, Square

Letter: A

Character Trait: Behavior Bear

Color: RED

Dear Parents,

Welcome to the Climbers Room! This will be a year for our young learners to adapt to a classroom setting for the first time. It will be a year of taking small steps each week as we work on following directions, playing with others, being responsible, reading readiness, math, and science. Our goal is to teach new skills as students play, listen to stories, dance, create, explore the environment, and much more. We will see tremendous growth as our students climb their way to having a successful first school year experience.

Please send a backpack and take home folder with your child every school day. This will help your child organize his/her belongings at the end of the school day for dismissal. We will have children packed up and ready for parent pick up at 11:30.

Lesson plans for the day will be posted outside our door. These will be the blueprint for our day.

We would like to know more about your child. Please work with him/her to fill out the "All About Me" sheet. Please return to school by Thursday, August 30<sup>th</sup>. Also, parents please make sure the "Getting to Know Your Child" pages are completed and turned in as well.

If you have any questions, concerns, or suggestions to help your child learn, please feel free to email me at [preschool@grandwoodpark.net](mailto:preschool@grandwoodpark.net)

We are looking forward to a fabulous year!

### Weekly Themes for September:

- Dinosaurs
- Amazing Apples

### Upcoming Dates & Reminders:
