SEPTEMBER 2018

Little Learners
Preschool

MONTHLY FOCUS:

Shapes: Square, Rectangle, Triangle

Color: RED

Letters: A

Character Trait: Behavior Bear

Dear Parents,

Welcome to the Explorers Room! This will be a year for our young learners to explore and discover new skills while having fun! We can't wait to get started. We will work on following directions, encouraging independence, reading readiness, math, science, and working with others. We will do this as we play, listen to stories, dance, create, explore our environment, and much more! We look forward to working with your child as we teach them to "never stop exploring!"

Please send a backpack and take home folder with your child every school day. This will help your child organize his/her belongings at the end of the school day for dismissal. We will have children packed up and ready for parent pick up at 11:30.

Lesson plans for the day will be posted outside our door. These will be the blueprint for our day.

We would like to know more about your child. Please work with him/her to fill out the "All About _____" sheet. Please return to school by Friday, August 31st. Also, parents please make sure the "Getting to Know Your Child" pages are completed and turned in as well.

If you have any questions, concerns, or suggestions to help your child learn, please feel free to email me at preschool@grandwoodpark.net.

We are looking forward to a fabulous year!
